About Us

Aruna & Co is a trusted authorised dealer of Tamil Nadu Newsprint & Papers Ltd (TNPL), supplying high-quality copier and printing papers across Tamil Nadu for over 50 years. We serve corporate offices, institutions, print shops, xerox centres and bulk buyers with reliable delivery, genuine stock and transparent pricing.

The advertisement features a white background with palm tree silhouettes on the left and right sides. In the top right corner is the TNPL logo, which includes a green stylized mountain or temple icon and the text "TNPL". Below the logo, the slogan "PREMIUM PRINTS, PLANET-FRIENDLY CHOICE" is written in a large, bold, green serif font. In the center, the text "New improved TNPL Platinum Copier Paper" is displayed in a green sans-serif font. To the left, a yellow callout box contains the text: "Sharper print. Brighter finish. Greener footprint. TNPL's copier paper delivers premium quality while reducing the impact on our planet. Choose sustainable brilliance, every time you print." Below the callout, four boxes of TNPL Platinum Copier Paper are shown standing on a white circular base. The boxes are colored light blue, teal, grey, and orange, representing different weights: 70 GSM, 75 GSM, 80 GSM, and 85 GSM. Each box has the TNPL logo, the word "PLATINUM", and "A4" printed on it. The bottom of the advertisement features social media icons and links: LinkedIn (@TamilNaduNewsprintandPapersLimited), Instagram (@tnplproducts), X (@tnplofficial), YouTube (@TNPLOfficial), and a QR code.

TNPL

INDIA'S LARGEST
ECO-FRIENDLY
PAPER MILL

TNPL is a company that manufactures eco-friendly paper from sugarcane bagasse, a renewable byproduct of the sugar industry. This bagasse-based paper is a sustainable alternative to traditional wood-pulp paper, reducing the need for deforestation. TNPL is Asia's first commercially successful bagasse-based paper mill and has a large production capacity, exporting its eco-friendly products to numerous countries.

INNOVATIVE PRODUCTION

- Equipped with **State-of-the-Art** paper machines and deinking pulp line.
- **Utilizes cutting-edge technology** like automate testing labs and precision equipment.
- Committed to reducing carbon emissions through eco-friendly processes.

TNPL Before Making PAPER

- Produces **5 crore saplings** annually, supporting farmers.
- Generates **Oxygen from 2.57 lakh acres** of converted barren lands into pulpwood plantations.
- Creates **2 lakh tonnes of high-grade cement** from production waste.
- Irrigates 2,000 acres of plantations with treated effluent water.
